

# Arranging 101

1. Choose a familiar tune: \_\_\_\_\_  
Ideas: Mary Had A Little Lamb, Twinkle Twinkle, Happy Birthday,  
Lavender's Blue, Yellow Submarine, Star Spangled Banner...

2. Figure out the melody, pick a key, and write it below for the RH to play.

Key \_\_\_\_\_

3. Now add the LH - try using \_\_\_\_\_ .
4. Pick a style to arrange it in. Change up rhythms, octaves, add a few grace notes, and so much more. If you get stuck, ask your teacher for ideas and look up different arrangements on YouTube to give you a few ideas!
5. When you figure out what you like, write it down. Then perform it for friends and family! Way to go! You made an arrangement!
